ONE HIRED AND ONE PROMOTED AT WALTON CONSTRUCTION

DALLAS, Texas. (December 7, 2007) – David Pinson, president of the Dallas Division of Walton Construction Company, LLC., recently announced the following new hires and promotions:

- Tim Hartsuck has been promoted to vice president of operations. His responsibilities include handling all field operational duties of the Dallas Division. Prior to his promotion, he managed several notable projects, which include Palomar Residences, the Passenger Terminal at Naval Air Station Joint Reserve Base in Fort Worth and the Wal-Mart Return Distribution Center in Waco. Hartsuck came to Walton with more than 28 years of construction experience under his belt, as well as electrical training experience as corporate training director with largest electrical contractor in Texas.
- Keith Taylor has joined Walton as a vice president of pre-construction services. His responsibilities will include all pre-construction activities in the Dallas Division, such as estimating, scheduling and business development. Prior to joining Walton, Taylor studied at California State University in Sacramento and worked for HDR Architecture and HDR Design-Build where he directed the expansion of their healthcare design-build business.

Walton Construction Company, LLC, which maintains full-service offices in Kansas City, St. Louis, Springfield, Mo., Dallas, Texas and New Orleans, La., is ranked among the top contractors in the United States by Engineering News Record. Established in 1985, Walton Construction has grown steadily to become a leader in pre-construction, general contracting, design-build and construction management services.
